Sports and physical education remained vital components of our curriculum. We have conducted interhouse competitions such as, Kabaddi, Throwball, Kho-Kho, Chess and Carrom for the students. These events have sharpened the sporting skills of the students as well as reinforced values of discipline and resilience.

Eco clubs have established and different activities related to environment are conducted during the year. Such as: -

- 1) Save water campaign
- 2) Plant a tree for life
- 3) Swachatha is health
- 4) Gardening as an activity.

The students have shown much enthusiasm in participating in the above.

Our vision remains unwavering: to cultivate students' all-round development- moral, intellectual, social and cultural- equipping them to embrace opportunities and face challenges with confidence. By nurturing each child's individuality, we aspire to uplift families and society through their accomplishments.
